

Eagles' Eye View

The monthly newsletter for the
Eagles' Nest Clubhouse

Where Dreams Take Flight!

Members got to go to the Blue Hill Fair on Friday for a group trip! We got to see all the animals like the Llamas, Alpacas, Goats, and more! Some even checked out the Bee tent to learn about Queen Bees!

We checked out the exhibits to see all the neat art people created, as well as all the fabulous crops that were grown. There were plenty of snacks and tents selling various things.

We couldn't possibly forget to mention the rides! Members got together to go on rides together and had a great time.

Overall it was a fun experience and we hope to do more social outings of this sort in the future!

7 -	Community Thanks
8 -	Lunch Menu
9 -	Event Calendar

Eagles' Nest Clubhouse went to Camp Capella on two separate days! The first day was Pirate Day and we were given pirate bandanas and tattoos! Members went swimming and played Water Balloon Volley Ball, as well as went on the party boat to get a tour around Camp Capella. There were also activities like making sand in a bottle as well.

On the second day the theme was Cowboys and we had members on the canoe. Both days we were served lunch as well. One of our members won a silly race against others, and it was another really good day for swimming. We even got one of our newer members to participate and he had a blast!

Eric lost his cowboy hat on the party boat and we weren't able to rescue it unfortunately, but that didn't matter because we got to see a juvenile Eagle and a large nest! Overall it was a great week!

Juvenile Bald Eagle

Spider Man No way Home : Comic nostalgia

By Danny Schaeffer

So for nerd corner we are going to go on Marvel Side. I chose Spider-Man No way home to review. This is the 3rd installment in the Home saga Starring Tom Holland. I decided to use this as a backdrop to dive into Nostalgia but from the comic book perspective. This is the first foray into the much wider Spider-Verse (in the live action scene.) So here is my review of Spider Man No Way Home and Nostalgia.

Spider-Man No way Home : This film picks up from the end of Spider-Man Far From Home, where Spidey's identity is revealed to the world by Mysterio. This picks up directly from the end and shows the chaos that ensued from it. This is an adaptation of the storyline called One More Day. Where the world learns that Peter Parker is Spider Man through his own actions. This ensues because he ends up going to Dr Strange to cast a spell to make the world forget that he is Spider-Man . This goes into a lot of the multi versal chaos and entrance of others from alternate realities, a lot of the old school villains from the Sam Raimi Trilogy & the Amazing Spider-Man duo. Seeing a lot of those villains brought some tears. The original 5 movies (especially the Sami Raimi Trilogy) have a lot of memories tied to them. The big highlight to this film was the bringing in of Tobey Maguire and Andrew Garfield, seeing them and Tom Holland fight side by side made my nerd heart glow. This was an amazing conclusion to an amazing trilogy plus a bigger intro into the concept of the multi-verse/spider verse. I know there is a plan for a 2nd Tom Holland Trilogy in the works and I can't wait to see where the next trilogy is going. I give this a 10/10.

Comic Book nostalgia and its role in Mental Health: So I choose this topic because comics have played a role in my own life. There is a lot of portrayal of mental health in the comics especially when it pertains to the villains. I.E for Marvel, Green Goblin comes to mind and there are so many examples in DC comics like the Joker Harley Quinn Two Face. Now how comic book nostalgia plays into my own mental health. Comic Books at least became an escape for me into fantasy and other realities. Spider-Man was my very first comic. I got into the world of marvel comics via The Sam Raimi Trilogy and the other late 90s early 2000s comic movies. When 2007 Comic Con happened and Iron Man 1 was announced comic mania went into overdrive. For me and nerds all over the world comics are an escape and a break from reality .

Poetry Corner

The Wild Wind
By Tonya

The wild wind blows in my hair as I walk through the streets and in this town.

I think about all the things I have done. I smile on all the good things and frown on all the bad.

The wild wind makes me remember all the things that made me sad, all the things that made me mad,
but I will always remember my life as it is and that makes me glad that the wild wind is always there.

Beauty + Grace
By Jane Winslow Lennon

Lord thus beauty given with hands of measured grace for us is beauty

As foretold, peace dwells in this place.

We are Gods chosen people in light of pure domain

We are all connected, as teardrops fall as rain

Starshine deeply calling , rhythm fells my pain,

To help things grow and prosper its summer time again

The good Lord blesses his people and holds us in his hands

We will work together finding happiness again

Shadows
By Mary Bonnin

Into the shadows I fall, only to pull myself out of it all.

Walk my path and you will see, everything was never what it seemed.

By the light in my heart and torture in my soul, I will rise up and conquer all.

View From the Boardroom

From Advisory Board member Jerry Stone - Sept 9, 2024

During this last half year ENC's Advisory Board has been actively pursuing the interest and concerns of Eagle' Nest Clubhouse members and leaders. A few of these activities include:

- Advisory Board specifically offering financial support for the undercoating of the newly purchased van (almost \$1000)
- Month and more bringing food, loose change and dollars (now petty cash for ENC), office supplies, ,and soda can tabs
- With the help of friends of an Advisory Board member, a new microwave donated to Clubhouse
- Donating almost 75 new T-Shirts (short and long sleeve) and sweatshirts and hats to club members
- Being present and contributing at meetings moving ENC to accreditation, to the purchase of a new van, as well as working on the same for a new Clubhouse site
- Providing transportation for Eagles' Nest Clubhouse members
- Attending 9 AM morning meetings to support and encourage members and leaders
- Attended a family memorial service for grieving club members
- Attended numerous site visits
- Frequently listening to and talking with and being present with members and leaders
- Gathering on zoom for monthly Advisory Board meetings
- Working on the completion of an attractive Eagles' Nest banner
- At times lunching with members at the Clubhouse
- Advisory Board member Jerry worked on fundraising letter with member Laura Hoard and Director Alice - Sent to potentil area community and business leaders and now setting up meetings with same leaders for a financial "ask"
- Have added 2 new members to the Advisory Board: Linda Saunders from Surry and Jerry Stone from Camden
- Advisory Board member Linda Saunders to start Quilting class for interested Clubhouse members
- Advisory Board will now contribute somewhat monthly to the ENC newsletter
